“ Macon RBI gave me more than a baseball opportunity — it gave me confidence, discipline and people who believed in me.”

— MACON RBI PLAYER

ONE OF THE SMALLEST COMMUNITIES among roughly 300 MLB RBI programs nationally — and one of the most successful.

LOOKING AHEAD TO 2027

MORE YOUNG PEOPLE. MORE OPPORTUNITIES. A BRIGHTER FUTURE.

With continued support, Macon RBI will build on our success and serve more young people in our community. In 2027, our focus will include:

COMPLETE THE NEW BATHROOMS AND CONCESSION FACILITIES

at Tom Fontaine Park, creating a better experience for players, families and visitors.

DEVELOP AND FUND A PLAN TO RESTORE OUR TWO GRASS FIELDS

expanding the quality facilities available to our players and allowing Macon RBI to serve more young people.

Changing lives. One player. One family. One season at a time.
